

Learning A-Z Donation Challenge with UNICEF USA Star Donation Chart

When we work together, we can accomplish more than we imagined. Let's see how many donations we can make as a class and help communities in need! I bet we can achieve something amazing with this challenge.

As a class, we're making a pledge:

We're promising to read ___ books and to donate ___ stars as a classroom before November 18. Our pledge will allow us to give ___ days of water to families in need. How amazing is that?

All we have to do is read!
